## Overcoming pandemic challenges...

Summer 2021

In the wake of this pandemic, housing becomes a crucial crisis for many in our community and we are here to offer a bridge to resources that could help avoid or overcome homelessness for families within Gardner community.

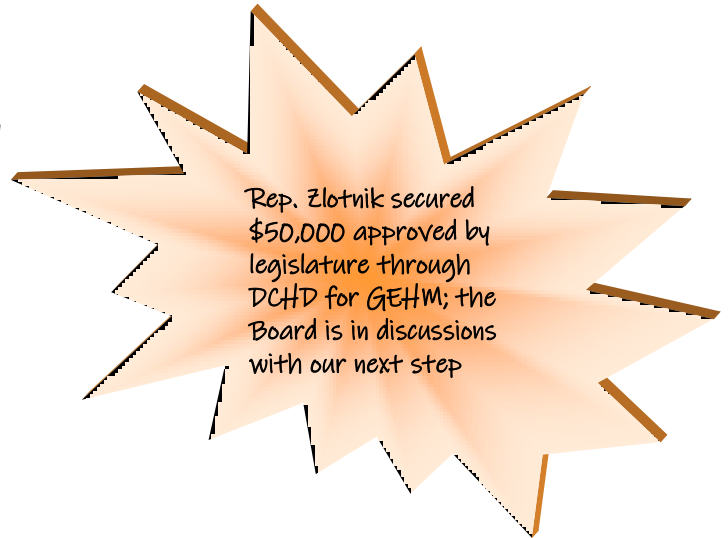

Our generous community continues to be a financial necessity driven to keep their community members out of further traumatic experience affected by homelessness.

We have been granted financial and operational support through multiple grants and local businesses that are supporting our mission to help families within Gardner's schools return to stable housing.

We are exploring growth opportunities via 2nd apartment, property to purchase and renovate, and recruiting board members and volunteers.

We continue successful fundraising with our Annual Walk event, Bowling event, and Partner with GEHM campaign. Excited to add a comedy/dinner night in November.

Our most recent client's family was placed in a homeless situation when her landlord of 7 years sold the home and was ordered to leave.

### New Program Manager and Board Members

Renee Eldredge has returned as Program Manager to continue our service of connecting families and programs that will benefit those in crisis.

We welcomed Tina Augeri and Mary Tourigny to our Board of Directors.
